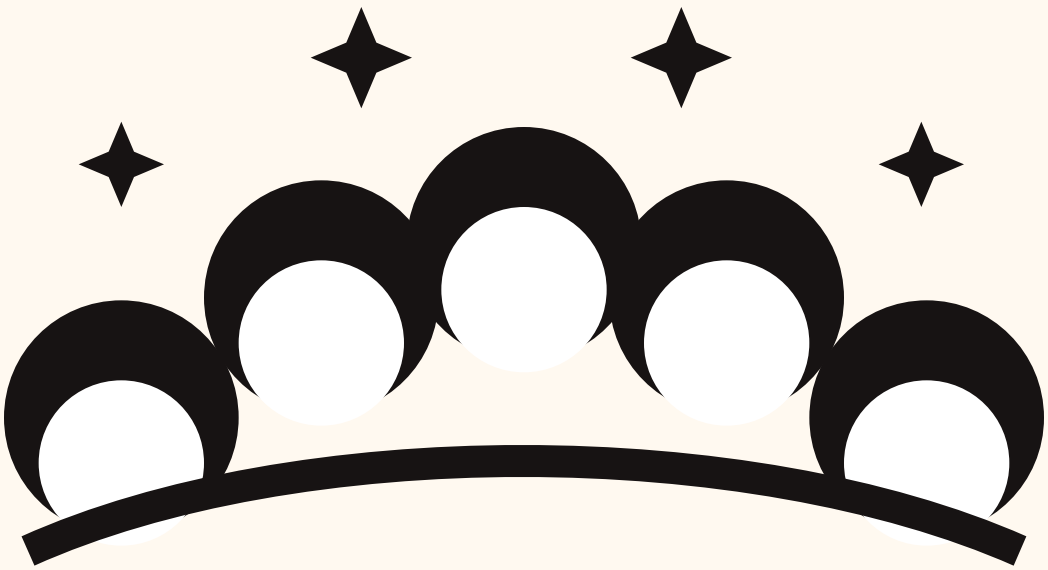
Scalloped Sparkle Crown

CUT OR POKE THE BLACK SHAPES



PRINT AND TRANSFER

1 Print at 100% or scale evenly to fit a smooth pumpkin face.

2 Tape the paper flat, then prick or trace every black shape.

3 Remove the paper before an adult carves or drills the design.

4 Light with a cool battery light and keep the pumpkin dry.

Original design by Hearth & Petals - free for personal pumpkin carving

Adults should control sharp tools. Do not leave a lit pumpkin unattended. hearthandpetals.com
